Revelations of an Old Day-Book.

There are few people, if any, who are not deeply interested in everything pertaining in any way to the dear "long ago," and we find a growing lobby among the ladies of the present is to collect old China and pewter dishes that did service to the grandmothers of the past. Old furniture is bought and after having the mold and cobwebs of the old garret, which has been its resting place for a century, removed, is given the best place in the grand reception rooms of the present. Care is taken not to disguise one feature, and the rougher and more unshapely in form and style, the more valuable it becomes. Being a lover of the old myself has led me to give a few articles of the ante-bellum days and the prices paid for same to the public, thinking it my interest merchants and others of to-day to see what changes articles still sold have undergone. I have in my possession an old day-book of 1841, and the owner, Matthew Buchanan, was a merchant of the ancient city of Crab Orchard, Ky. There was no railroad running through the place at that date and all goods were hauled in wagons from Louisville. In looking over its musty pages I find flour was sold at \$2.50 per 100 pounds, lard at 4c per pound, sugar at 18c a pound, coffee was only 12c a pound, bacon 34c per pound, meal 25c bushel, salt 4c per pound, black, 25c pound, chickens 75c dozen, eggs 4c to 5c dozen, soda 25c pound, Indigo 17c an ounce and used as ink, tobacco 25c twist, needles 12c per dozen, tacks 12c per box, paper 25c per quire, pins 25c paper, and the dame who went to the country church paid 25c yard for the calico or gingham dress she wore, while the man just across the way enjoying his morning dram only paid for his best whisky the low sum of 30c per gallon, when his wife made her coffee she paid 5c for the pot to boil it in and the thimble used to darn his trousers cost her 12c and each spool of thread cost the same sum, nails brought 12c pound and a wash pan cost 35c. No vegetables of any kind are on these pages as everyone had their own gardens and raised their meat. The people whose accounts I am looking over with so much interest, are all beyond the dark river and are not at all interested in the sales made on this old world of ours, while the ink has not faded that told how much they were like the present class of people living here who grumble at paying 5c for calico or 5c for needles and who are quite willing to give \$4 to \$8 for a gallon of whisky that makes them see sights beheld by the tope of 1841.

HETTIE A. BUCHANAN.

Court day gatherings are of Virginia origin says the Richmond Clinax and date back to the good old colony times when we were under a king, and our Virginia ancestors were wont to consider attendance upon the monthly meetings of the county court as a bounden duty, which no citizen would be justified in neglecting, no matter whether he had any business there or not. In Kentucky, from immemorial times, nearly everybody of the male persuasion has been in the habit of going to town on county court day. They go because they have always, from boyhood "attended court;" and because their fathers and grandfathers and great grandfathers always did before them. It is a custom which nobody in particular originated, but which always existed among our Virginia ancestors for more than 150 years before the beginning of the Revolutionary war.

Could Not be Better.

The uniform success of Chamberlain's Colic, Cholera and Diarrhoea Remedy has won for it a wide reputation and many people throughout the country will agree with Mr. Chas. W. Mattison, of Millford, Va., who says: "It works like magic, and is the best preparation I know of. It couldn't be any better." He had a serious attack of dysentery and was advised to try a bottle of this remedy, which he did, with the result that immediate relief was obtained. For sale by all druggists.

To The Voters Of Lincoln County.

I have been selected by the republican executive committee as the republican candidate for sheriff. I accept the nomination and respectfully ask the support of the voters of Lincoln county. As to my qualifications to conduct the business of this important office I refer to my former record as sheriff.

Respect, JOHN N. MENEFEE.

Bobbitt On The Long Ago.

Looking at the calendar, there blazed out to view the 19th of October, the anniversary of the surrender of Lord Cornwallis to Gen. Washington and the French. Memorable, immortal day! Declaration of Independence had been proclaimed and made good. The battle of Lexington had been fought on April 12, 1775. Six long years of revolution had rolled their bloody wheels across the track of time! Boston had been taken and evacuated, Warren had died for freedom at Bunker Hill, Saratoga had been fought, LaFayette and Benedict Arnold had been wounded. Burgoyne had surrendered, Btall had fallen on Camden's bloody field, Count Pulaski had died at Savannah, Shelby had won immortal renown at King's Mountain, Washington had crossed the frozen Delaware, taken 1,000 prisoners at Trenton, bent the British at Princeton, Arnold had exchanged his ragged Continentals for the golden tinsel of the British uniform. The soldiers of the patriotic army had starved and frozen at Valley Forge and Morristown. What suffering, what privation, what copious streams of patriotic blood had stained the gory fields of the Revolution! What a change has been borne on the wings of 124 years! What a great country! What a powerful nation! What a present and a future! What a great potato crop this year! May we be wise and watchful of our liberties and prove ourselves worthy to receive and enjoy and transmit to our posterity this glorious inheritance bequeathed from our illustrious forefathers and sealed with their blood! May the sun of liberty never sink behind the gloomy cloud of despotism!

Not very many men give up as much for love as Grand Duke Cyril, of Russia. Because of his marriage to the divorced wife of the Grand Duke of Hesse, he has been dismissed from the service and deprived of honors and decorations. He is also deprived of the right to bear the title of Imperial Highness, and his entire Russian income, which is derived from the \$2,500,000 set aside for each Grand Duke at his birth, and which has since been augmented in various ways. The principals are cousins and their union was prohibited by the tenets of the Russian orthodox church.

The friends of Mr. Ed O. Leigh, private secretary to Gov. Beckham, and they are legion, sympathize with him in the loss of the trust of all earthly friends—a mother. Mrs. Mary Leigh died at her home at Paducah of pneumonia after a brief illness, aged 72. She was the widow of Rev. William Leigh, a prominent Methodist divine.

MATRIMONIAL.

Alexander Ross, of Lincoln county, and Miss Allie Harlan, of Boyle, were married this week.

"The wust thing about this marryin' fer money," remarked the Pohick philosopher, "is this: The old codger the gal marries most acarly adwger plumb refuses to deliver the goods."

O'BANNON-WARNER.—Dr. W. B. O'Bannon and Miss Lillian Warner were married at the bride's home on Logan Avenue at 1 o'clock Tuesday afternoon. Rev. R. B. Mahony performing the ceremony. Only a few close relatives witnessed the marriage, which was a very quiet affair. An hour later Dr. and Mrs. O'Bannon took the train for Louisville to spend a few days. On their return they will be at home to their many friends at his pretty residence on Lancaster street. The bride is the charming daughter of Mr. and Mrs. P. G. Warner, who recently removed here from Garrard county. She is both pretty and popular and made a beautiful bride in a light green tailor suit and hat. Dr. O'Bannon is one of Stanford's leading physicians and very best and most substantial men. No man in the community stands higher and his legion of friends are glad for him that he has captured such a jewel for a helpmeet. May their union be one of supreme happiness is the sincere wish of the writer, whose admiration for the groom, who has proven his friendship for him, is great. A number of friends gathered at the depot and showered rice on the happy couple as their train pulled out.

BLACKBERRY-MYERS.—A pretty home wedding indeed was that Wednesday at high noon of Mr. Robert McDonald Blackberry, of Louisville, and Miss Florence Myers, of this place. The handsome home of Mr. W. M. Bright, on Danville Avenue, was the scene. Rev. L. M. Omer performed the ceremony, which was brief but beautiful, the ring being used. The bride, who is as lovely of character as she is pretty of face, wore a plum colored cloth suit, with hat to match and carried a huge bunch of bride's roses. She was indeed a charming bride and he who had won her heart and hand must have felt proud when the right was given him to call her his own. The groom, who is a prominent Louisville banker, made a splendid impression here by his gentlemanly and courteous mien. He is a fine young man and our people are desirous of seeing more of him and knowing him better. Before the ceremony Mrs. N. H. McKinnay, of Carlisle, sang in sweetest cadence "O Promise Me," and later exquisitely rendered Lohengrin's wedding march on the organ. On entering the parlor, which was profusely decorated with potted plants, mistletoe and cosmos—green and white prevailing—the bridal party was preceded by two sweet little flower girls, Misses Virginia Sue Omer and Janie McCord Hocker. The man of God was already in position and in a few short minutes the two were happily united. After a short while spent in congratulations, Mr. and Mrs. Blackberry were shown the way to the dining room, where the bride's table was literally covered with good things. Seated at this table with the bride and groom were Mr. James R. Bush and Miss Mabel Blackberry, Dr. A. S. Price and Miss Nancy B. Galloway, Mr. J. H. McAlister and Miss Fannie Bright. The bride's cake was beautifully decorated and in the cutting of it Miss Nellie Murphy got the ring and Miss Galloway the daring needle.

The guests, numbering about 55, were served with a most toothsome lunch prepared by Klein of Louisville, in the several rooms, which by the way, were all thrown into one large one. After lunch and a brief period spent in conversation, Mr. and Mrs. Blackberry drove to Danville and took the North-bound train for a bridal tour which will consume several weeks. During their absence they will visit Mr. Blackberry's parents at Joplin, Mo., and be at home at 1710 Edward Street, Louisville, after Dec. 1. The guests were Mr. J. F. Blackberry, Bowling Green, brother of the groom, Miss Mabel Blackberry, Falmouth, sister, and Miss Nancy B. Galloway, Falmouth, cousin of groom, Mrs. James W. Caperton, Miss Mary James Caperton, Mrs. John Hoce Russell, of Richmond, cousins of bride, Mrs. Wai. J. Yager and Miss Vassie Shouse, of Louisville, Dr. and Mrs. N. H. McKinnay, of Carlisle.

The bridal presents received by Mr. and Mrs. Blackberry were both numerous and costly.

A GENUINE democrat will make a sacrifice for his party. The most acceptable sacrifice is a vote cast that involves inconvenience, loss of time, etc. How much sacrifice are you willing to make for democratic principles?

THE engine of the Cincinnati and Knoxville passenger jumped the track one mile south of East Barnstadt early yesterday morning, badly injuring Engineer William Manson and Fireman Blake. None of the passengers were hurt. It is not known what caused the engine to leave the track.

THERE is no question but that the late Joseph Jefferson was the greatest Rip Van Winkle that ever played the part. W. A. WITH the election only 24 weeks off it behooves every democrat who loves good local government to get to doing something. A day spent in helping elect the magnificent ticket that will appear under the rooster will be a day well spent.

IT is reported that Mr. J. H. Swope now wants to be county judge and that he may be put on the republican ticket when the rats get out their third installment of candidates. We do not vouch for the truthfulness of this report and merely give it for what it is worth.

ALL parties having valid claims against the estate of the late Geo. W. Evans are notified to present them to me, properly proven, at Hedgeville, Boyle county, Ky., by November 15th, 1905, James H. Hutchings, Executor of Geo. W. Evans.

THE nomination of Mr. J. N. Meneff for sheriff has put the democrats to work in earnest. Not that they fear that he and the rest of the republicans will win, but because they want to bury the republican party deeper than ever, now that some ex-democrats are taking such a hand against the party that made them.

WE open to-day our entire line of Holiday Goods in hand-painted Japanese and China ware, bric-a-brac novelties etc. The immense saving that is offered you now on these goods should induce you to buy, to say nothing of their beauty and excellence. The line is undoubtedly superior to any you will see in this section. John P. Jones.

BISHOP.—Mr. Columbus Bishop, one of Lincoln county's oldest and best citizens, died at his home in the Shelby City section Tuesday and the remains were taken to his old home in Pulaski for interment. Mr. Bishop never married but lived with an aged sister, to whom his devotion was beautiful. He leaves a considerable estate. Deceased was a straightforward, honorable man and his many friends sorrow at his death.

WHEN you go to vote you will find under the rooster on your ballot the names of the following good democrats: R. L. Hubble, J. M. Alverson, R. C. Warren, W. S. Burch, Jeff Hill, George B. Cooper, W. A. Carson, Garland Singleton and W. I. Herrin. A single stamp in the circle under the game chicken is all that is necessary to have your vote recorded for all of them. Make only one stamp on your ballot and be sure that is in the circle under the rooster.

CHURCH MATTERS.

It is Rev. John Lovell, instead of "Lowell," who is holding a protracted meeting at Halls Gap.

Rev. W. M. Wood closed a meeting at Bethel. There were 20 additions and 35 backsliders reclaimed. \$1,700 was raised to help build a new church.—Harrodsburg Herald.

Rubusana, a full-blooded Kaffir, a savage until his 18th year, is to-day a poet, a pastor and a patriot, a scholar who has mastered English, Greek, Latin and Hebrew, and is engaged in London in completing his fifth authentic translation of the Christian Bible into his native tongue.

Elder Tice Spear, a veteran minister of the Christian church, is dead at his home in Peytonsburg, Ky., aged 101

years. He was the oldest Christian minister in Kentucky, and doubtless the oldest in the country. He was 101 years old the 24th of last September, on which day he had intended to preach his farewell sermon, but was too feeble to leave his room.

A C. and J. Y. Robinson sold 75 cattle weighing 1,501 pounds to Joseph Bales at \$4.65, and R. L. and L. G. Davidson sold 19 to same at \$4.50.—Central Record.

INDIGESTION'S RECORD

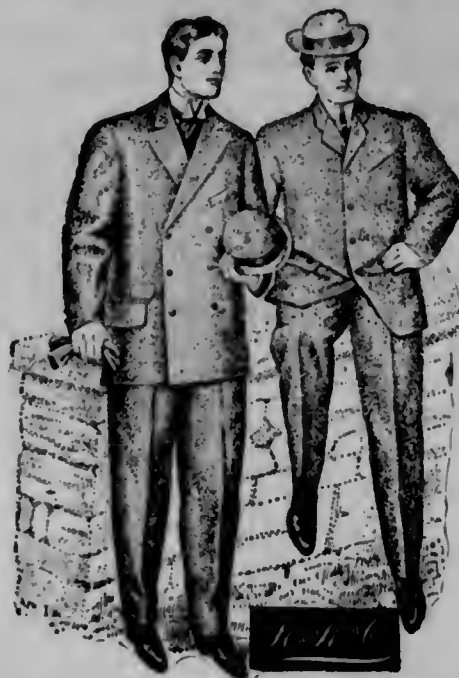

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.

Two sizes, 25c and 75c. All druggists.

Great Closing-Out Sale.

We have rented a business house, now nearing completion, in Corbin, Ky. which we expect to occupy at an early date. Rather than move any stock from this place, we have decided to close our Entire Line of Merchandise at a sacrifice. This stock consists of not only the Cream of Dry Goods, such as Silks, Satins, Fine Woolens, Waistings, Fine Table Damasks, Underwear, Hosiery, Outings, Etc., but also contains the largest assortment of hand-painted Japanese, China and Bric-a-brac Novelties ever shown in this section. We anticipated a heavy Holiday Trade and bought very largely of this line. These goods have just arrived fresh from Japan, and will go on sale at once. In addition to the above we have a 5c and 10c department that is now loaded with good, useful money savers. This will be our last opportunity to supply the wants of our friends and customers and we deem it necessary to further remind you of the character of merchandise you now have an opportunity to purchase at sacrifice.

Owing to the short stay we have in your midst we are compelled to make this Strictly A-Spot Cash Sale to One and All, and we ask those who have already made little tickets to please settle.

A REGULAR CIRCUS.

Trying To Give A Little Girl Cod Liver Oil.

An interesting incident was told in Penny's Drug Store the other evening. A man came in and bought a bottle of Vinol and while waiting for change engaged the clerk in conversation.

Said he: "We are told to give our little girl cod liver oil. I bought a bottle and took it home. We had a regular circus trying to get the child to take it. Then it did not agree with her at all, the oil upset her stomach. She did not get any better, so I told the doctor how we had failed, and he at once recommended our Vinol, saying that it contained all of the curative, healing and strengthening properties of cod liver oil without a drop of oil, and that children all love its taste."

"I took home a bottle and we began to give it to our child right away. She said it was delicious and wanted more. Almost from the first dose we noticed a change, and she gained flesh, strength and appetite and sleeps well every night."

"I don't believe any one should give a delicate child old-fashioned, nauseating cod liver oil or emulsions when Vinol is so delicious, and when it will do so much more good than any other tonic. It is simply a wonderful medicine for weak, puny children and I am recommending it to my friends."

We guarantee Vinol will make weak, puny children strong, robust and rosy, strengthen and invigorate old people and build up the run down, tired and debilitated as nothing else can. If it fails we willingly return every dollar paid for it. Penny's Drug Store.

Some Seasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by all druggists.

A movement has been started in Atlanta to raise by popular subscription in the South \$60,000, or a sum sufficient to pay the duty on the presents bestowed upon Miss Alice Roosevelt, daughter of the president, during her trip through the Orient. The plan is intended to show the appreciation of the South for his recent efforts in behalf of peace between Russia and Japan, in inaugurating the construction of the Isthmian Canal and other acts of his administration which have endeared him to the people of all sections, without regard to political affiliations.

Don't Borrow Trouble.

It is a bad habit to borrow anything, but the worst thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but try for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At G. L. Penny's, Stanford, Lyne Bros., Crab Orchard. Price 50c. Guaranteed.
